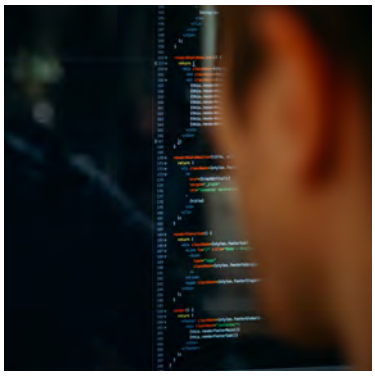
A crisis management solution for life changing results.

Ready-U prepares you for what happens next – Our approach is unique and different. We focus on people during the event by combining training and technology. Ready-U with active threat training, and real-time communication teaches you to REACT breaking the freeze - managing the crisis with critical information that can help save lives.



READY U

For what happens next

Ready-u.com

Manage the crisis with safety technology.

The Ready-U platform is a perfect extension to your safety program. We help create an adaptive and aware culture with training and technology supporting policies and procedures that will keep you safe.

C ommunicate

T eam Up

R.E.A.C.T. Training

Instructions and insights on how to survive an active threat event! We highlight awareness and the value of being vigilant.

Local Notification

Facilities based life safety visual alerts and technology aimed at protecting lives.

Law Enforcement Response

We quickly involve the local emergency responders and educate everyone on the response level needed to avert a potential disaster.

Phone App

Up to the second messaging alerts, information, and updates can be viewed from wherever you are. Crisis communication tools at your side.

Local Speaker R.E.A.C.T.

Breaking the "FREEZE" and remembering your training when it matters most. Overhead coaching and crisis management announcements to help people when mentally frozen in place. R.E.A.C.T.

Remote Look-In

We have virtual guards in the cloud accessing surveillance video feeds armed with the ability to impact an active threat.

Crisis Management - Ready-U

Communication and crisis management software can deliver The Right Message, to The Right People, at The Right Time.
